

## **Choice Scholarship Program**

How to Apply if I am a Parent/Student  
As Of February 27, 2013

1. Review the eligibility requirements of the program (either on the Choice Scholarship website or at participating schools).
2. Review the income guidelines of the program.
3. Review the Frequently Asked Questions (FAQ) documents.
4. Apply to a participating school that you would like your student to attend. Each participating school will have its own admissions requirements and procedures.
5. The application window for School Year 2013/2014 opened on February 27, 2013.
6. Work with the participating school to complete the application. The application will be completed by you and the school via a password-protected website that only school administrators have access to.
7. The family will be asked to provide eligibility information for enrollment and income verification. Please provide accurate information to the school.
8. If a student is approved, the family will receive an approval letter from the Indiana Department of Education. Please save this letter for your records. The participating school may require a copy for the student file.
